Mechanicals

- All bellows completely and faithfully re-leathered,
- Tremulant and expression motor fully restored.
- All note primary (61 notes) and pouch chest leathers have been replaced.
- A new expression box was constructed as the original was missing. We utilized the original shade frames and blades. The box can be adjusted to suit the new location.
- All chest cables have been replaced and includes new Peterson quick disconnect junctions.
- Chest toeboards, rackboards and swell walkboards have been cleaned and received a generous coat of orange shellac.
- New main cable of about 25 feet is provided but can be easily increased.
- 3/4 h.p.Zephyr blower in silencing cabinet.

Console - drawknob

- Original Oak console – no refinishing
- No moving combination action - blind system with 3 generals and setterboard later addition.
- Pedal keys cleaned – felt replaced – Naturals profiled and new clear finished applied.
- A new Peterson Coupler matrix can be provided and installed.
